Become a Member!

You're probably planning to support the Market by choosing to buy your food there, but you can help the Market move forward significantly by becoming a Member. As a Member, you will be helping the Market pay for advertising costs, musicians, and other expenses, and may vote for Board members at the Annual Meeting. Furthermore, as a Member you have the peace of mind that you are supporting the Market's mission to:

- Foster a broader availability and variety of locally grown produce and agricultural products, and consumer confidence in the quality, freshness and nutritional value of these products.
- Encourage sustainable farming in the Canterbury area by providing an alternative marketplace for local growers and producers of agricultural commodities and other farm-related products.
- Create opportunities for farmers and consumers to deal with each other directly, advancing the consumer's knowledge of local agriculture and products, and providing farmers with a better understanding of consumer needs
- Enhance the quality of life in the Canterbury area with a community activity that fosters social gathering and interaction.
- Preserve the Canterbury area's unique agricultural heritage.
